The Reality of Boo's Home

Directions: Make a drawing of the Radley house and surroundings. Use at least ten (10) specific references from the first few chapters of the text to show the accuracy of the details on your drawing of Boo's house and surroundings. In the spaces below, first enter the page number and then the quote for the item on the diagram. Next, write the letter which is in the left column (opposite your quote) on the sketch next to the detail (s) which it represents.
